me: so
me: apparently Joe Rogan was talking about me today
me: on his online podcast whatever the fuck
me: I don't know if that's good or bad
me: all I know is he's some comedian whose name I recall being associated with faggotry
me: can you confirm this?
Caleb: Joe Rogan is the one who called out Carlos Mencia on stage.
Caleb: On Mencia's stage.
me: oh
me: wait
me: didn't the Mexican guy do that too?
Caleb: George Lopez?
Caleb: Or that other Mexican?
Caleb: What's his name.
Caleb: ?
me: Lopez, yeah
me: so Rogan's not a douchebag?
Caleb: Well.
Caleb: He also hosted _Fear Factor._
me: okay
Caleb: And does color commentary for UFC.
Caleb: You probably remember his voice from that UFC game the Puerto Ricans had at our place.
Caleb: So, yeah, he's kinda douchey.
me: oh, right
Caleb: But better than Carlos Mencia.
me: "That's what you gotta do right there, you got to throw punches in bunches."
me: "That jab has the potential to be a determining factor in this fight."
me: "That jab has the potential to be a determining factor in this fight."
me: "That jab has the potential to be a determining factor in this fight."
me: There is a possibility that one of the three moves you can make in this game will determine its outcome.
Caleb: Zip zip zap.
Caleb: Take that, video game.
me: I'm serious
Caleb: Oh.
Caleb: Oh, sorry.

Caleb: So what's the latest?
Caleb: How's the AnonSecs?
Caleb: Still livin' in Dallas?
me: well sir
Caleb: How's your mother?
Caleb: Seen any good moooovies, lately?
me: Oh, she's hanging in there, still wit the bad knee but that Doctor Sanders has done wooooonders
me: anywho
me: we got some stuff goin'
me: re: the intelligence contractors
Caleb: And presumably that's what JoeRo was talking about today?
me: could be the Romas/COIN thing, more likely Anon stuff in general
me: but you know me
me: I left that Anon behind, yo
me: I'm runnin' wit the Norte Mejicanos now
me: I mean, some other people
Caleb: NSB?
me: SHHHHHHHH
me: FEDS COULD BE LISTENING
me: WHAT'S FEDS A NEW WORD FOR GODS?
me: eeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeee
me: I mean, no, dumbass
me: Project PM working with some other parties
me: it's all very abstract
me: meanwhile Bloomberg's gonna be coming out with a piece on Endgame Systems which is the firm where the CEO's tell HBGary fellows via the stolen e-mails that they don't want any public scrutiny
me: so, that'll be funny
Caleb: Endgame Systems.
me: seriously, the e-mails have the CEO saying that their name can't get out in public because their federal clients don't want people knowing about them
me: which is a hilarious e-mail to come upon and start sending out to journalists
me: yes
me: apparently this is Shadowrun
me: other funny thing is
me: the Lulzsec fellows stole these 1,000 other e-mails from CEO of Unveillance, another firm with relantionship with both HBGary and Endgame Gunner Boom Boom Darkdeath
me: and they discuss me briefly with the Endgame exec
Caleb: You've arrived!
me: it's just funny that those e-mails got taken too
me: the Unveillance CEO reacts to initial HBGary hit a couple times

me: goes
me: "What a mess."
me: I'm thinking of putting that in this book proposal I'm ghostwriting for Gregg Housh
me: Like
me: "What a mess, he wrote."
me: er
me: you know
me: and then
me: separate line
me: "He didn't know the half of it."
me: Then I'll have sex with another man
me: oh
me: CEO of HBGary called me the other night
me: I think he'd had a few
me: he wanted to, like, rap
Caleb: New CEO?
me: nah
me: Aaron Barr was CEO of HBGary Federal
me: which is the company HBGary set up to do federal classified work because CEO of HBGary proper has a felony in past and thus can't do it
me: Greg Hoglund
me: anyway, he's a giant faggot
me: he's the one who, in the e-mails, tells some colleague, "Don't fuck with me, I'm a serious badass now."
Caleb: What was the felony?
me: I don't know, this was just discovered by one of my folks a few weeks back in the e-mails where his wife writes to someone about something about it
me: probably some old hacking shit
me: oh jesus
me: John Penley
Caleb: That obnoxious Facebook fellow?
me: see my "wall"
me: top
me: his friend gets executed by some wacky gunman
me: Penley already dragging me into it
Caleb: Ha.
Caleb: That David Bowie thing is funny.
me: I'm surprised Penley never dated your mom and like briefly moved into the back room or something
me: that surprises me
me: it's surprising
me: also

me: Ian told me again how he totally almost had sex with your momn
me: how she totally wanted him
Caleb: I love that guy.
Caleb: He's crazy.
Caleb: I fucking love him.
Caleb: Also, remind me who this Emma Allan person is again.
me: an admirer of mine
me: English woman
Caleb: Good.
Caleb: We're facebook friendsies now.
Caleb: "Studied at UNIVERSITY OF THE STREETS LOWER EAST SIDE NEW YORK CITY"
me: Jesus
me: seriously, though
me: "I believe this was a targeted assassination."
Caleb: Pretty clear cut.
me: after all
me: the CIA probably was all like
me: There's some liberal out there
me: !
me: We have to target assassinate him
Caleb: But let's wait until after he goes on a brutal killing spree days after getting out of prison for a potentially insurance-fraud driven arson.
Caleb: Look at Priscilla and his irrepressible jazz hands:
